

Cobra Clean

degreaser

"The Best."
"Amazing!"
"You Rock."

Industrial Grease & All Purpose Cleaner
Biodegradable, Non-Acidic, Non-Caustic, Non-Flammable

Got Grease? Got Grime? Got Stains?

New Cobra Clean is awesome. Spray it with a hand sprayer for small jobs, spray with a pump sprayer for bigger jobs. Watch the grease run off. Rinse with water, and the remaining surface will be clean as a whistle.

Degrease Aluminum

Clean critical aluminum parts with Cobra Clean. It's not acidic or caustic.

Steel & Galvanized

Clean grease off of sheet steel & watch it shine. Galvanized too.

RV & Schools

Got gum stuck in that carpet? Got stains you don't know what to do with?

BIODEGRADABLE **NON-ACID** **NON-CAUSTIC**

Buy it, You will love it, and you will buy it again & again.

NO Toxic fumes to breathe - NO Harsh Chemicals or Acids to worry about - No Hard Work to Clean. Just rinse with water when you're done.

Cobra Clean Degreaser

This product contains no listed chemicals subject to reporting requirements under 29 CFR 1910.1200 Hazard Communication Standard. Product is formulated as Biodegradable, Non-Hazardous, Non-Corrosive, Non-Caustic, and Non-Flammable.

Chemical formulation is a trade secret under provisions set forth by 29 CFR 1910.1200 Hazard Communication Standard.

How to use Cobra Clean Degreaser

Spray it on, rinse it off with water.

The oil and grease is emulsified, and washes away.

For heavy duty cleaning, use full strength.

For everyday work, dilute 1/2 water, 1/2 cleaner.

For laundry, use 1/2 cup for color wash, and more for whites.

Pre-treat heavy stains with Cobra Clean.

For large areas, or everyday heavy use, we suggest an inexpensive pump sprayer.

Engines - Safe for engine parts, including aluminum and alloys.

Kitchen - Safe for range hoods, sheet metal (steel, aluminum, galvanized, and more), counters, floors

RV & Boats - Removes tar, gum, and is safe for fiberglass and gel coat surfaces

Pre-Cautions - Do not eat it. Keep out of reach of children. Use gloves to reduce extended exposure to hands. Keep out of eyes. Use safety glasses if necessary. Use in a ventilated area. Test painted surfaces, fabrics, and carpet before using.

Characteristics - Not acid, and not caustic. Rinse with water Dilute as per instructions Biodegradable
